THE REAL ESTATE EDUCATORS ASSOCIATION (REEA) IS A SOCIETY OF REAL ESTATE EDUCATION STAKEHOLDERS (INSTRUCTORS, TRAINERS, PROFESSORS, ATTORNEYS', REGULATORS, SCHOOLS EDUCATION DIRECTORS AND AUTHORS) WITH A MISSION:

"To provide resources and opportunities for professional development to individuals and organizations involved in real estate education." Our challenge is to continually give our members the latest tools and techniques for effective adult education. Our goal is to make sure REEA members meet and exceed the high standards demanded in real estate's rapidly changing legal and professional environment.

Annually, REEA hosts a national convention where educators meet and talk one-on-one with national speakers, educators, instructors, regulators, education directors, authors, and designers who develop teaching methods used to launch students toward successful careers. Join your colleagues from all over the United States to share best practices, learn current and future trends and find out how to apply this knowledge in order to become a better professional, be one of The Best of the Best and increase revenues.
