

## Dinner –

Any of the restaurants owned by MStreet – Located in the Gulch –**Reservation Recommended**  
They are all fun atmospheres with some of the best chefs in Nashville cooking for them. I've included the link below.

Cochon Butcher – Located in Germantown

It's a New Orleans style restaurant located just outside of the heart of Nashville. They are a casual atmosphere with a great patio to enjoy the spring weather.

\*\*BarTaco – Located in 12 South – **One of my personal favorites**

I don't know if they take reservation but I have always used a app called NoWait and it's a place holder that allows you to put your name on a waiting list while you are on the way.

I love going to BarTaco because there's a great ice cream shop just up the street called Jeni's ice cream and plenty of other great restaurants in this area if you r group wanted after dinner drinks as well.

- Wildhorse Saloon - located on 2nd Ave I know they will be closed on the 9<sup>th</sup> but I will check other dates if you have a date in mind you would like to go.
- Any of the Honky Tonks on Broadway – I have my favorites if you choose to go downtown.
- Pinewood Social - pinewoodsocial.com
- Mid-town is a much more laid back atmosphere with bars that have outdoor areas.
