

## What's a Round TUIT Summit?

We all know we learn best by sharing and helping others, so the REEA DREI Leadership Council has committed to making the ultimate effort to help all current REEA DREI Candidates succeed in attaining their REEA DREI designation.

At the present time we have several REEA DREI Candidates who are trying to complete the REEA DREI program with their video component. Due to the impact of the corona virus on live classes and classrooms, many have not had an opportunity to demonstrate their REEA DREI skills. Some need a refresher on GAPE principles to successfully complete their videos.

So, no more "When I get around to it." This unique event combines the traditional Summit opportunities of roundtable discussions, building relationships and socializing with fellow REEA DREI's with opportunities for the candidates to move forward in the creation of their video.

We have never had an opportunity to share, coach and encourage the candidates this much. So, let's get "Round Tuit" with no more excuses and do what we do best: Create an environment and opportunity for instructors to improve their teaching skills.

As a current REEA DREI, this is a great opportunity for you to:

- Help and Encourage Candidate to move forward
  - Mentor Candidates in their video presentation
- ★ Update your required 3-year Summit Attendance!

## We Can't Wait to See You There!

You should plan on arriving Thursday evening, January 27, 2022, and departing on Sunday, January 30, 2022.

**Early Bird Registration** is on the Real Estate Educators Association website at REEA.org under the Events Tab. Registration for the Summit is \$299 before December 1, 2021. On 12/1/2021 Registration rates will increase!

## The Roundtable Discussions

As usual, the REEA DREI Summit is a chance for REEA DREI's and candidates to network, learn and share. During the Summit we will be exploring all the following topics in roundtable discussion forums to help attendees push their educational career forward.

- **"Why Me?"** The Benefits & Value of Being a REEA DREI
- **"Improving Every Day!"** Applying GAPE to real world scenarios to improve your teaching
- **"Learning Through Observation & Feedback"** Applying the REEA DREI criteria to actual presentations
- **"Zoom & Beyond!"** Applying GAPE to the virtual world of synchronous teaching
- **"Strategies for Tomorrow"** Overcoming Today's Challenges in Education

\*\* All roundtable discussions, breakfast and luncheons are held at the Sheraton Country Club Plaza

## What's Happening at Career Education Systems?

On Friday afternoon and Saturday morning we will be operating three classrooms at Career Education Systems.

REEA DREI Candidates will be provided with fully set up classrooms, equipment, and students providing you with what you need to do a live presentation and receive real time feedback on their teaching ability in applying GAPE principles.

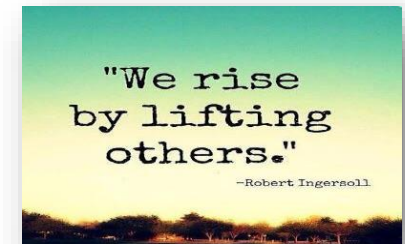

There are two options for candidates:

- Present a full 50-minute REEA DREI video presentation which we will record for evaluation by the REEA DREI Video Review Committee.
- Present a 15-minute presentation followed by 15-minutes of feedback and suggestions so they will be able to successfully complete their video in the next 90 days.

The presentations will be scheduled and organized with a REEA DREI leading an informative feedback session following the presentations. All attendees will get the opportunity to see several live presentations, and everyone will be encouraged to provide feedback and comments to help the candidates be successful.

This Summit is an incredibly unique and valuable opportunity for both REEA DREI's and Candidates to build teaching skills in collaboration with each other. We have never had an opportunity to work this closely with the candidates to help them improve. We are excited about your opportunity to be involved in this Summit.
