

2023 Annual REEA Conference

Las Vegas Experiences

June Temperatures: 64 degrees day – 46 degrees evenings

Things To Do

- **Clubbing** The nightclubs typically open at 10:30 pm but know that for special events and holidays they may open their doors at 10 pm. For the most at popular clubs on the most popular nights people may start lining up at the front entrance one hour before the opening time.
- **Downtown-Fremont Street Experience** 2.85 miles. Open 24 hours. No admission is required to access the Fremont Street Experience pedestrian mall, and most events and nightly concerts within are also free.

The Fremont Street Experience is a pedestrian mall and attraction in downtown Las Vegas, Nevada. The FSE occupies the westernmost five blocks of Fremont Street, including the area known for years as "Glitter Gulch", and portions of some other adjacent streets. The central attraction is a barrel vault canopy, 90 ft high at the peak and four blocks, or approximately 1,375 ft, in length.

The Four Queens and Golden Nugget are two of iconic casinos here. It is home to more than 10 casinos with many game tables. You will also find plenty of restaurants here.

- **The Strip Experience - Las Vegas Boulevard**

The world-famous Las Vegas Strip -- is the central artery of Sin City and the main line to a majority of the city's best sights, gambling, food, and fun. With neon signs and dancing fountains along an eight-mile stretch of awesome, the Strip delivers sensory overload. The Las Vegas Strip is 4.2 miles long and runs from Mandalay Bay to the Stratosphere.

Lined with upscale casino hotels, the neon-soaked Strip is quintessential Las Vegas. As well as gambling floors, the vast hotel complexes house a variety of shops, restaurants (ranging from mainstream to high-end), and performance venues for music, comedy, and circus-style acts. Attractions like the soaring, choreographed Fountains of Bellagio, and the High Roller observation wheel draw crowds.

➤ **Las Vegas Tram Transportation. Las Vegas Monorail.**

The 4-mile air-conditioned, elevated system runs along the Las Vegas Strip from 07:00 and stops between 00:00–03:00, daily. Las Vegas Monorail, which runs for 4 miles along the Strip and has 7 stations that allow you to reach all the most famous hotels and attractions in a short time. The Monorail is the most complete, useful, and most used means of transportation in Las Vegas.

Three, smaller Las Vegas Trams operate on the West side of Las Vegas Boulevard, one between Mandalay Bay and Excalibur, and another tram that runs between Park MGM and the Bellagio Hotel and Casino. Each tram is free for riders and independently operated by the various hotels and casinos they service.
