is thrilled to announce the Call for Presenters for our upcoming
2026 Annual REEA Conference
July 23 & 24, 2026 in Denver, Colorado

REEA 2026 Conference – Call for Concurrent Presentations

The Real Estate Educators Association (REEA) invites you to submit your concurrent session proposals for the **2026 Annual Conference**, in Denver, Colorado, July 23 & 24, 2026 where real estate instructors, education directors, regulators, trainers, and thought leaders come together to advance the art and science of real estate education.

Each year, REEA curates a program that delivers practical insights, innovative strategies, and inspiring ideas that strengthen our profession. For 2026, we are seeking presentations that align with our conference theme:

Educate • Elevate • Empower

Presenters may submit sessions under one of the three categories below. Please choose the category that best reflects the focus and intended outcomes of your session.

EDUCATE - These sessions strengthen expert knowledge in the real estate industry and enhance the instructional skills that drive excellence in real estate education. Proposals in this category should provide practical tools, proven teaching methods, emerging industry trends, or curriculum innovations.

Ideal submissions:

- Classroom and online teaching techniques
- Curriculum development strategies
- Regulatory updates and industry trends
- Assessment tools and learner engagement methods

What attendees will gain:

- Actionable approaches they can immediately implement
- Increased clarity and confidence in their teaching
- A deeper understanding of best practices impacting real estate education

ELEVATE - These sessions aim to raise the standard of excellence for instructors, course providers, institutions, and the broader profession. Proposals should motivate and challenge attendees to grow as leaders, refine their professional brand, or adopt transformative approaches that enhance the learning experience.

Ideal submissions:

- Leadership and professional development

- Instructional innovation and program improvement
- Strategies for expanding influence within the industry
- Enhancing credibility, presence, and instructor effectiveness

What attendees will gain:

- Inspiration to elevate their teaching and leadership
- New ways to enhance quality, efficiency, or impact
- Tools to advance their careers and organizational success

EMPOWER - These sessions equip educators with the mindset, communication skills, and real-world tools needed to support today’s learners, and themselves. Proposals should focus on empowerment through inclusion, technology, personal growth, resilience, and student-centered teaching.

Ideal submissions:

- Communication and facilitation skills
- Diversity, equity, inclusion, and belonging
- Technology for instruction and learner engagement
- Mindset, resilience, and educator well-being

What attendees will gain:

- Strategies to empower both themselves and their students
- Improved confidence and connection in the classroom
- Tools to create more inclusive, engaging, and supportive learning environments
